This title is suitable for ages 9-12. This title includes campfire anecdotes that entertain and inspire people of all ages as they ponder the lessons of nature. Discover how Hummingbird helps us appreciate our beautiful work. Find how Eagle and Raven have helped other living things meet the challenges of life. Coho's dedication shows the reward of never giving up when trying to overcome obstacles. There is a message in Wolf's howl and the sad mourning call of a distant Loon. The creatures of nature all have something to tell us. Each story is accompanied by a beautiful graphic.
