Here is an exciting collection of fun projects that are perfect for keeping youngsters occupied on a rainy day. The projects include word search puzzles, do-it-yourself jigsaw puzzles, the world's longest board game, coloring pages, special games, and

much more. All projects include easy-to-follow instructions designed to increase children's enjoyment while holding parental stress to a minimum. Mothers and fathers will love Rainy Days in Texas Funbook because it's like having a baby-sitter in a book.
