出版者:Transition Vendor

出版时间:2006-7

装帧:Pap

isbn:9781571316653

This tribute to the Gulf Coast region's strong storytelling tradition reveals the richness of the region spanning Texas to Florida. Filled with poems, essays, journal entries, and information on the area's natural features, this collection introduces stories of the Choctaw Indians, fur traders, cotton farmers, and city kids. Illustrations.
