A Short Guide to Academic Writing de-mystifies the process of writing and describes everything that is needed to write in an academic and professional style. Contained are instructions related to the writing process and what the product should look like. Written in a crisp, concise style, Andrew Johnson makes these ideas easily accessible to readers of all levels of writing experience. This text contains information that is appropriate for any undergraduate or graduate student who is learning to write academic papers or professional documents using APA (5th edition) style.
