isbn:9780787976972

The second edition of Really Writing! provides 40 real-life writing activities that capture the attention of young authors (grades 2 through 6) who are just learning the composing process. This book is also a valuable resource for teaching advanced

writers who are ready to experiment with a variety of writing and speaking genres. Each of the Really Writing! activities is based on state and national standards and assists teachers in providing for the wide range of writing abilities that exist in most classrooms. At the end of each lesson are practice Writing Prompts that are ready to use in preparing students for success.
