If you're in need of 54 great writing lesson plans, today is your lucky day." Don't""Forget to Write" has exactly that: 54 great writing lesson plans road-tested at 826 writing labs across the country. These range from goofy fun classes like "Writing for Pets," to more practical workshops like "College Application Essay Boot Camp," and all were written by experts. Our favorite authors pitched in, too. If you're a teacher, we think this book will make your life easier. If you're an aspiring writer, we've got lots of great ideas for you too. And if you're a reader, we offer entertainment and food for thought -- 54 lesson plans' worth.
