While How to Build the Grandma Connection provides practical information, Susan Bosak's bestseller *Something to Remember Me By* is in many ways a companion book that offers inspiration. With richly-detailed watercolor art by Laurie McGaw, this 32-page picture book about love and legacies across generations has won six national awards and sold over 150,000 copies. It tells the moving tale of the special relationship

between a grandmother and granddaughter over the years. The book has touched the hearts of young and old across the country and is a bestselling gift book for children, mothers, and grandmothers.
