Dip into this delightful collection of 1,000 thoughts, insights, and quotations about one of the most important people in your life-your dad. Child or adult, you're never too old to let your father know how much you care. Show your appreciation with this appealing little book packed full of universal observations, and celebrate the special bond that only exists between a father and his children. "My Father taught me all I needed to know about faith and hard work by the simple eloquence of his example." (Mario Cuomo) "It is a wise father that know his own child." (William Shakespeare)
