How many times have your kids said, "You never listen to me! "? Or a fellow parent

alarmingly asked, "You let your kid do what?" Now, Sheila Ellison reminds moms what all the hard work is for. With themes ranging from "Laugh Now, Clean Up Later" to "Bathing Suit Blues" and "The Compliment Cure," Sheila's common sense and warmth shine through in this companion for moms of all ages. When the laundry looms, the carpool calls, or the fourth-grade science project is due, mothers need a reminder that the nonstop whirlwind of parenting offers some very special rewards: love, joy, laughter, and devotion. Filled with anecdotes that are profound, funny, wise, and witty, *How Does She Do It?* is like having a conversation with a best friend.
