The most up-to-date, comprehensive pregnancy guide on the market, delivering an unforgettable visual journey of developing life. Week-by-week pregnancy format is easy-to-follow, enjoyable to read, and follows the standard development schedule used by the gynaecological profession. Detailed descriptions and eight pages of amazing full-colour in-utero photographs guide expectant parents through a visual journey of the monthly changes of their growing baby. Features: Straightforward, comforting professional advice on the topics that are most important to expectant parents: having a healthy pregnancy, real-life labour, preparing for life as a family (both emotionally and financially), and juggling a career and motherhood; Exclusive interactive due-date wheel makes it easy to determine conception date, week of pregnancy, and delivery date; Special sections on labour and delivery, feeding options, and the first 12 weeks after baby's birth; Important checklists, including one for each prenatal check-up help the expectant mother prepare for and make the most out of each session with her doctor.
