P.B. Wilson's "Knight in Shining Armor" (more than 150,000 copies sold) lets women know that if they desire true love, they need to prepare themselves mentally, physically, and emotionally...and God will bring their knight in shining armor to them. Readers will discover what they need to change and what should stay the same to make themselves attractive to godly men. Principles taught include--emotionally healthy women attract emotionally healthy men; dating someone in hopes he'll change later is asking for trouble; a potential knight's past reveals how he'll act in the future. Practical and realistic, this book helps women break free from ineffective behaviors and attitudes to discover God's design for waiting, dating, and choosing a mate.
