A daughter is forever. No matter how old she is, in your heart she'll always be that little girl full of imagination, dreams, and fantastic potential -- the one who captured your heart the day she came into your life... Bestselling poet Susan Polis Schutz and Grammy Award-winning songwriter Donna Fargo, along with many other authors, have contributed to this book some of the most eloquent words any daughter could ever receive. This is a beautiful, lasting way to convey your love for your daughter, your confidence in her, and your promise to always be there for her no matter where life takes her.] "My day always becomes wonderful when I see your pretty face smiling so sweetly. There is such warmth and intelligence radiating from you. It seems that every day you grow smarter and more beautiful." - Susan Polis Schutz
