This unique book is designed to address all of the important topics that new teachers encounter, including classroom management, literacy, inclusion, and working with English learners. The overarching goal of this resource is to provide alternate route teachers with the confidence and basic knowledge they need to begin their new careers and their responsibilities as teachers. Why Reviewers Think This is a Unique Resource! "The emphasis on serving all students is admirable. By including information about the inclusive classroom and concomitant teaching strategies, the authors are telling new teachers that this is the norm, and that being prepared to serve all students from the get-go is essential. I applaud them for including this emphasis in their book...I believe this book will be a great resource for alternative route teachers and for all new teachers, as well.
