From Toddlers to Teenagers; Connecting with Your Children at Every AgeH. Norman Wright provides practical advice and encouragement to parents on how they can learn their child's emotional language, unlocking the door to their child's heart and vastly improved relationships! Contrary to popular belief, it is possible to talk so that both children and teens will listen. This book will take the frustration out of parents' interactions with their kids when they master Childspeak and Teenspeak. All it takes is learning to package words in such a manner that kids and teens want to listen. These principles of parent-child communication are time-tested and proven approaches that will change and improve family communication.
