Learn how to make yur own wire jewelry! Don't know the first thing about making wire jewelry? Getting Started Making Wire Jewelry will get you going, with more than 100 color photographs that walk you, step by step, through the entire process, from where and how to shop for wire and beads, choosing the right kind and gauge of wire, to what tools of the trae you will need. You will learn how to make basic jewelry components such as loops, jump rings, and connectors, create and proudly wear the earrings, rings, bracelets - or make and give wire-decorated cards. With this book as your guide you will master the art of creating beautiful wire jewelry and gifts in no time!
