Who says a knitting project has to be complicated to look fashionable? Simple "can" be stylish, too--and anyone who can do a basic "knit and purl" can make these chic items with no trouble at all. The trick: using quality yarns in beautiful colors and

textures. The results will look marvelous...and no one need know that your designer scarf used an easy loose stitch and took just a few hours to create And there's lots to choose from: 34] projects that include hats, bags, blankets, shawls, sweaters, and accessories. The attractive photos show each one in different yarns and colors, and excellent, easy-to-follow instructions teach how to knit on circular needles, make great felted items, and change colors as you work.
