With beautiful, full-colour photography and illustrations, "Best-Selling Ranch Home Plans" offers readers 350 of the bestselling and stylish home designs in this perennially popular category. Sprawling one-stories, grand windows, and rustic porches are a few

of the essential architectural elements found in these charming designs. This book offers a wide variety of home styles and sizes within the ranch category to meet the budget of most readers, from starter homes to empty-nester homes. The book offers practical tips and advice to create the home of one's dreams. It contains 350 designs provided by the nation's top designers and architects. Construction blueprints are available for every home. The book contains planning and design advice and tips throughout. It features "Real Homes for Real People." Our books feature photos in full colour of actual homes built from the plans.
