Containing a directory of motifs and blocks, plus patterns, you can either create your own designs from the wealth of glorious motifs illustrated or follow one of Melody's fail-safe patterns that are also included. Inspiration varies from simple geometric patterns, to pretty floral and spiral designs to picture blocks created from the motifs

shown. Once you start, you will realize the possibilities are endless. Each motif is displayed in a close-up colour photograph next to a clear, easy-to-follow stitch diagram. The instructions are also written out in full so you can choose the way you prefer to work. Full instructions are given for the type of yarn to use, the tension and the size of the motif, plus tips on how to achieve the best result. There are also sketches and photos showing how the motif can be used, either on its own, with several together, or partnered with other motifs. Uses for your completed blocks include cushions, coverlets and afghans, scarves and wraps, and bags and totes. *Provides a wealth of original corchet motifs. *All motifs suitable for beginners and more experienced craftspeople alike. *201 blocks, motifs, and patterns to choose from.
