Build on the basic stained glass making skills you already possess. With straightforward text and a wealth of color photos, this book will show you how to master more advanced stained glass making techniques: making complex cuts with a table saw and repeating cuts with a jig system, making and installing hinges, foiling glass jewels and

nuggets, creating and fastening mosaic pieces, using a lamp jig, applying patinas to lead and zinc, installing reinforcing wire properly-all skills that will allow you to expand your creative horizons. It also offers step-by-step instructions for creating a tabletop box, a large hanging lampshade, and a decorative mosaic-along with a host of expert advice on how to improve your stained glass making skills.
