"Mosaic Art and Style" is a celebration of how mosaics can be integrated into our environments. Author JoAnn Locktov explores our fascination with mosaic art and illustrates how artists have crafted architectural installations as well as decorative and functional objects that have added immeasurably to living spaces. Readers will enjoy seeing how mosaic art can be applied to every surface imaginable. "Mosaic Art and

Style" tells the story of how the projects were conceived and fabricated from the artists' points of view. Locktov has forged special relationships with a multitude of artists, who have allowed her to feature their work in "Mosaic Art and Style". Through these relationships, she takes the reader into the world of the artist and gives readers a behind-the-scenes pass into the artists' workshops, where she shares their personal thoughts about the creation and inspiration that imbues their work.
