Expand your skills through understanding of the router, which is one of the most versatile tools you can own. "The Complete Illustrated Guide to Routers" offers more than 800 photos and drawings which show you how to use and care for your router and how to get the most from it. In addition to mastering the use of your router, you'll also learn about router tables and how to make one that works perfectly in your shop.

Lonnie Bird is a professional woodworker with a dozen books to his credit.
