No time to knit a sweater? Now whipping up a sweater, scarf, rug, pillow, throw, bag, or backpack takes just a few hours instead of a few days. The Secret? Fat needles. Really fat needles. With clear instructions and great ideas from author Sally Harding, even beginners can learn to knit and make a scarf--"all in the same day! Each fun project teaches a new technique, including chained edgings, textured seed stitch, beaded

tassels, buttonholes, yarn twisting, rag knitting with strips of fabric, and more. Superfast projects open up a world of crafting possibilities. Forgotten birthday? Knit a pillow. Lastminute dinner invite? Knit a tote bag. Need a favor? Knit a throw. Here's everyone's chance to get in on fast knit, fat needle fun!
