Whether you prefer a classic single strand or a funky combination of pearls and semi-precious materials, "Simply Pearls" shows you how to create necklaces that are easy to make yet look both expensive and professionally made. No longer the

extravagance they used to be, pearls come in a variety of types - from freshwater to faux - that make these beautiful gems an affordable and elegant option. With projects designed for beginners and intermediate crafters - with a few more challenging designs for good measure - "Simply Pearls" is a volume that people will consult again and again for basic stringing, knotting and wire-work techniques; to find inspiration and project ideas, including tips on refreshing heirloom jewellery; and as a materials reference. Whether your look is modern and edgy or classic Chanel, "Simply Pearls" offers great how-to-wear-it ideas and beautiful projects that will give you the Tiffany's look at budget prices.
