isbn:9781579908140

Following "The Art of Jewelry: Polymer Clay," this second book in the series takes an exciting look at one of the most popular materials in crafting today: paper. Artists have constantly pushed the envelope of this versatile medium; these pages showcase their innovative techniques along with gorgeous work that's sure to inspire. And no previous jewelry-making experience is needed. All the basics are beautifully laid out, from an

overview of the variety of available papers to an exploration of techniques. Easy-to-follow how-to photos clarify each step. Best of all are the stunning projects, including Yael Friedman's simple "diamond" solitaire rings; K. Dana Kagrise's elegant white bracelet made from vellum; and Dorthea Hosom's brooches that feature sophisticated collages.
