Wacky, whimsical, clever, offbeat: these projects are guaranteed to make you smile. Packed with first-class designs, this will have crocheters of all levels completely hooked. Who could resist the kitsch of Sunnyside Up Potholders and the fun techno-geek tote bag embellished with emotions? Or, rather than working with ordinary yarn or thread, try using nylon mason's twine (for leg warmers), marabou boas and even plastic bags. And don't worry: as wild and way-out as the projects are, they all

use traditional, familiar techniques and there's a handy reference guide of basic crochet stitches at the back.
