Jewelry making is one of the most popular craft trends, and its audience continues to grow. Few jewelry books on the market emphasize the importance of the design relationship between beads, wire, and jewelry findings. The book covers a wide range of techniques and designs, from simple beaded bracelets to more complex wire-wrapped pieces. It includes step-by-step instructions, tips, and tricks for creating unique and beautiful jewelry pieces.

piece. This book will show not only how to design and build your own spectacular jewelry out of beads and wire but how to design and create your own findings as well. Most jewelry making books are geared for the beginner and provide little information for intermediate to advanced jewelry makers. "Making Designer Bead and Wire Jewelry" contains illustrated how-to techniques, full-color project photos, project instructions, and numerous tips that enhance the styles and skills presented. Intermediate and advanced jewelry makers will learn new techniques for creating signature elements for their designs, while beginners will get a handle on honing their skills.
