Instead of describing the myriad ways to perform each task, Maran Illustrated Guide to Knitting and Crocheting shows the reader the best way, while the full-color photographs and

clear, step-by-step instructions walk the reader through each task from beginning to end. Thorough topic introductions and useful tips provide additional information and advice to help enhance the readers' knitting and crocheting experience. Maran Illustrated Guide to Knitting and Crocheting is packed with essential information for readers who are picking up needles for the first time, and will provide more experienced knitters and crocheters with the opportunity to add more advanced techniques to their repertoire.
