The Rookie Read-About Geography series teaches young readers the basic facts about geography. Colorful maps and photos illustrate simple text that includes information about terrain, climate, and people. Readers come away with a feeling that they have visited the area and know something about what it looks like and what it's like to live there. This title discusses the continents, North America, South America, Europe, Asia, Australia, Arctic, and Antarctic. Readers will learn about the different climates, people, and topography of the continents.
