Illustrated by Kevin O'MalleyWe've all wished for "Someday" to get here, and now it is. Follow the tale of the young beaver, Max, and his quest to spend quality time with his parents and family. The tale for the ages and ageless will bring a happy tear of joy and love and a smile to the face of every child who undoubtedly heard the answer "Someday" after having asked "When?" An inspiring read for all of us, "Someday" finds Max looking for "Someday" on his calendar and realizing if it did exist, it would surely be the busiest day of the week. Don't pass on the chance to share this tale of love and the importance of family. Illustrator Kevin O'Malley and author Denise Brennan-Nelson bring "Someday" to frolicking life by setting aside their somedays as the days to make a difference. Parents, teachers, family and friends can do the same by picking up the book and let that special little one in their life know that they are more important and every moment together is a gift to be cherished today.
