Stanford Wong is having a bad summer. If he flunks his summer-school English class,

he won't pass sixth grade. If that happens, he won't start on the A-team. If *that* happens, his friends will abandon him and Emily Ebers won't like him anymore. And if THAT happens, his life will be over. Then his parents are fighting, his grandmother Yin-Yin hates her new nursing home, he's being "tutored" by the world's biggest nerdball Millicent Min--and he's not sure his ballpoint "Emily" tattoo is ever going to wash off.
