Readers will meet thirteen ghosts, werewolves, skeletons, and other creepy characters in this spine-tingling collection of scary stories. In these tales no place is safe -- a ghost could appear in a crowded swimming pool, a sunny beach, or right in your own backyard Prepare to meet spirits from all over the world -- the enchanted bagpipes that long to be returned to their original owner, the haunted castle filled with angry ghosts, a ghost dog who comes back to life to save her pups, and more
