著者:Azarian, Mary

出版者:Houghton Mifflin

出版时间:2005-4

装帧:Pap

isbn:9780618548811

With her signature woodblock prints, the Caldecott medalist Mary Azarian invites readers into her own garden to discover its simple joys. Revealing the variety of life underground, the bright comfort of a greenhouse on a winter's day, or the anticipation of starting seeds indoors in early spring, this striking alphabet book reminds us that

gardens are perhaps our best way to live closer to the land and to the rhythm of the seasons.
