This is an officially branded tie-in edition with Mensa International, located in Islington, North London. Sterling Publishing, now, has an exclusive tie-in to publish children's puzzle books featuring the Mensa brand name. Kids will love crisscross puzzles! That's because they are easier than other types of puzzles and you don't need to know a lot of words to solve them. Unlike normal crosswords, crisscrosses have no clues or numbers. Instead you will need to work out how to fit all the words listed on the page into the correct spaces in the diagram, based on length and crossing letters. This work includes 72 Mensa puzzle grids accommodating over 1000 words to delight brainy youngsters who want to learn new words all the time. Children do not need a huge vocabulary to complete and enjoy these puzzles. There are plenty of tips for newcomers, as well! Word puzzles are great for developing literacy skills in children and for special needs in older juveniles.
