One of the most popular columns in today's hottest magazine for teens is now an attractively packaged gift book with color illustrations and a really cool cover. All of CosmoGIRL's! 1.35 million readers will just love it.

Young women are in love with love, and these romantic adventures are their very own. In every issue of CosmoGIRL!, readers share their real-life crazy love stories, and it has become one the magazine's most successful features. Whether it's the tale of a disaster waiting to a happen, true love realized, a mad crush, or a totally wild and wacky date, girls will totally connect with every one of these heartfelt accounts. There's lots to enjoy, with more than 100 stories of what girls have done for love, how far guys have gone for their gals, and a few "Love Bites"--the dirty-rotten tricks played in the name of love. Colorful, fun illustrations add to the pleasure and give the collection a unique and irresistible look.
