If you are amongst the 2 million high school students taking the ACT this year, listen up. The ACT Exam Cram is a focused, to-the-point study aid that will help you study quicker and score higher. Each section covers one topic of the exam: reading, math, science reasoning, and the new writing assignment. The guide includes: * Examples and practice questions for each topic. * Sample answers for the writing assignment. * A full-length practice exam that covers all four topic areas. * The "Cram Sheet" tear-card that condenses exam highlights for last minute review. If you want to know what to expect from the ACT exam, the ACT Exam Cram is the way to go.
