Finally, test practice designed for state-specific proficiency tests. Specifically tailored to California's standardized testing program for success in grades 3 through 6. As a result of the No Child Left Behind law, students and parents need to rely on expertly prepared

practice to ensure success on California's required proficiency exam. Spectrum California Test Practice offers essential practice that is custom-designed to California's standardized reading, writing, and math tests for grades 3 through 6. Written in the actual language of California's standardized testing program, Spectrum California Test Practice features: -An easy-to-understand description of California's reading, writing, and math expectations for grades 3 through 6.-A complete explanation of California's Standardized Test of Achievement and Reporting (STAR).-Hundreds of practice questions modeled after the test.-On-the-spot strategies for tackling different types of questions.-Three practice tests and a final test for measuring success in each subject.-A self-scoring section to determine each student's mastery of skills.Today's testing stakes are high. Provide students and parents the cutting edge for California testing success with Spectrum California Test Practice
