The year is 1230 B.C., during the reign of Ramses the Great in ancient Egypt. Follow the thirty-day voyage of the eleven-year-old Dedia and his father as they sail down the Nile River. Travel along with father and son as they visit the bustling harbor at Elephantine; the massive stone quarry at Gebel el-Silsila; the temples at Karnak; underground tombs in The Valley of the Kings; a funeral and mummification; the step pyramid at Saqqara; and Ramses' lavish palace at Piramesse. Quite a journey!
