The Callahan family is on their way to Vermont for a fun-filled holiday on the ski slopes. Santa Paws and the new puppy are looking forward to a nice, relaxing week curled up next to the lodge fire. But up in the cold, snowy mountains, there's lots of people who need help. Fortunately, there's one dog who always comes to the rescue -- Santa Paws! But will his playful new sidekick accidentally get him *into* trouble instead of out of it?
