出版时间:2005-1

装帧:HRD

isbn:9780736914956

Invite children to follow the lively characters of Suzy's Zoo(R) along a parade of praises and prayers. Animated illustrations and light prose encourage little ones to talk to God as they count blessings, ask for guidance, share joys, and rejoice in their special qualities and circumstances. This engaging gift will add spirit to every cause for

celebration-birthdays, religious holidays, or the start of a great library.
