著者:Frew, Michael

出版者:Prentice Hall

出版时间:2005-2

装帧:Pap

isbn:9780131860667

Teaches essential writing and proofreading skills for school or the workplace. Fifteen topics and more than seventy-five application exercises cover grammar, punctuation, and style skills. Multiple exercises for each topic reinforce the concepts. Master basic word-processing skills while developing English skills. Designed to be used with either Microsoft(R) Office Word 2002 or Word 2003. Includes helpful notes, hints, and definitions. Illustrates basic business correspondences, including memos, business letters, and resumes.
