"So, do we have a deal?" Mr. Evans asked. "Unbelievable," I muttered under my breath. "I don't understand," Mr. Evans said. "The whole thing is unbelievable. First you try to threaten me. Then you try to bribe me. And now you do the two together, trying to bribe me and threatening me if I don't take the bribe." "I don't like to think of it in those terms," he said. When Ian and his classmates watch a documentary about the health concerns of eating fast food, Ian decides to start a boycott and stop everyone he can from eating at Frankie's, a huge fast-food chain with a questionable menu. The boycott takes off and Frankie's gets concerned. The company's lawyers threaten Ian and his friends and try to force them to stop the boycott. Ian must convince others that the boycott is a good idea. Can Ian stand up for what he believes in? Can you take on a corporate behemoth and win? Stuffed is Eric Walter's fourth title in the Orca Soundings series, following Grind, Overdrive and Juice. Eric is a tireless school presenter and the author of many acclaimed books. He lives in Mississauga, Ontario.
