"Ha, ha, ha Hee, hee, hee Do these things with Chimp and Zee." Monkey business abounds as the playful Chimp and Zee lead youngsters through an array of simple but enjoyable activities, such as patting a monkey's paw, hiding in a tree, licking a Popsicle, and, finally, giving the chimps a goodnight kiss. Bright, lively illustrations bring the Chimp and Zee's impish antics to life, while the short, funny, rhythmic text encourages participation from even the littlest listeners.
