In this heartwarming poem, a devoted father promises to nurture, guide, protect and respect his beloved children. Featuring the captivating illustrations of Raquel Abreu,

Your Father Forever transcends the boundaries of culture and time in expressing a parent's universal love. "On the day you are born, I will welcome you into my arms And gaze at you in wonder, as we feel the depth of our love. On warm summer nights we will search the sparkling sky and marvel At the grandeur of the universe and all the mysteries beyond."
