The game of Hangman (normally a game for two players) is a great way for children to practice and improve their spelling - all while they are having fun. And now they can play even when there is no friend around! Each page in these books works like a lottery

scratch card. Each puzzle offers the 26 letters of the alphabet accompanied by silver circles to scratch off. Choose the letter you want, give it a rub and you will see if it features in the puzzle and where. But watch out: six misses and you are hanged! Play your favourite game on a bus, in the car, at home - and you don't need anyone else to join in!
