The Fitzwilliam Museum is the art museum of the University of Cambridge, England. It was founded in 1816 and contains magnificent collections of works of art of national and international importance. More than half a million objects and works of art are held in five curatorial departments: Antiquities and Applied Arts; Coins and Medals;

Manuscripts and Printed Books; Paintings, Drawings and Prints. This impressive new book on the collections is designed to highlight the Museum's many treasures including one of the world's foremost Rembrandt print collections.
