isbn:9780786420995

This comprehensive reference to TV cartoon shows covers some 75 years. In the decade or so since the first edition, the industry has grown and expanded to previously unimagined heights, thanks in great part to the upsurge of cable TV services catering to animation fans. In the ten-year period from 1993 through 2003, nearly 450 new cartoon series have premiered in the U.S. Alphabetically arranged by title, the book discusses each cartoon show in detail, providing full production credits and offering commentary on such elements as development, characters, style, and the show's significance in the overall scheme of television animation. The encyclopedia is published as a set of two volumes. Volume 1 includes the preface, introduction, and entries from ?A? through ?L.? Volume 2 includes entries from ?M? through ?Z, ? the bibliography, and index. Replacement volumes can be obtained individually under ISBN 0-7864-2255-6 (for Volume 1) and ISBN 0-7864-2256-4 (for Volume 2).
