isbn:9781904153146

From the dark and dangerous alleys of Tudor London to the busy streets of today's city, spies have always found plenty of work. In this book, you can read about how the Gunpowder Plot was uncovered, who the highest-ever paid spy was, Elizabeth I's wily spymaster Sir Francis Walsingham, the code-cracking boffins of World War II, and the real James Bond.
