Join Arusha, Mosi, Tumpe and their Maasai friends as they set out on a counting journey through the grasslands of Tanzania. Along the way, the children encounter all sorts of animals including elephants, lions and monkeys, while counting from one to ten in both English and Swahili. The lively, rhyming text is accompanied by an illustrated guide to counting in Swahili, a map, notes about each of the animals, and interesting facts about Tanzania and the Maasai people. A portion of the proceeds from the sale of each book will be donated to the African Wildlife Foundation, to aid their wildlife conservation and community building efforts in Tanzania.
