Los Angeles is a place of movie stars and fast cars and people who are too rich and people who are too poor. An area of freeway chases and drive-bys and death. But there's another L.A., one where warmth and humor and humanity pervade. Where a tacqueria sign declares: "One cause, one people, one taco." This L.A. is a place where random acts of generosity and goodwill improve the lives of the community. Any Small Goodness is a novel filled with hope, love, and warmth.
