Harry loves junk food and hates exercise--and it shows His family's not much better. But their clever pet hamster knows where Harry can go to get fit. Is Harry bound for fat camp? No--he's headed to Hamster Camp, where everyone gets to be a hamster The lifestyle of a hamster is an active one, and Harry has a great time racing through

tunnels and spinning on exercise wheels. He also begins to love eating like a hamster, filling up on veggies and grains. Before Harry knows it, he's got some healthy new habits When camp is over, he changes back--no longer a hamster, but a kid in good shape.
